

BCCC-CURE Summer Research Internship

Working at the forefront of cancer research

Application deadline: April 1st, 2024

The Brooklyn College Center Center (BCCC-CURE) is excited to announce their Summer 2024 Research Internship program, a summer research program for Brooklyn College undergraduates, supported by the Gray Foundation. This opportunity is open to all Brooklyn College undergraduates involved in cancer-related research with a BCCC-CURE member.

As a Summer Research Intern, you will:

- Participate in state-of-the-art cancer research at Brooklyn College (Summer 2024)
- Participate in professional development activities
- Earn a stipend of \$4,000 for 8 weeks of research with a member of BCCC-CURE

Application
